

Mill Road – Housing Association

Client: English Rural Housing Association

Sector: Housing Association

Services: Employer's Agent

Location: Mill Road, Bethersden

Martello Building Consultancy were appointed by English Rural Housing Association to act as Employer's Agent for this project in Mill Road, Bethersden. The scheme comprised of 4 x one bedroom flats, 2 x two bedroom flats, 4 x two bedroom and 2 x three bedroom houses available as affordable homes benefiting local villagers.

The £1.41 million project was a collaboration between Bethersden Parish Council, Ashford Borough Council and Rydon Homes delivering much needed, affordable, rural housing in the Weald of Kent.

English Rural is a specialist provider of community-led, affordable rural homes and is one of the leading national advocates on affordable rural housing issues. Martello have worked for English Rural on a number of affordable rural housing projects including Goldfield, Warehorne and Mackmurdo Place, Wickham Bishops.

For more information on the type of projects that English Rural Housing are engaged in, working with rural communities to build and manage affordable homes, please take a look at the English Rural Housing Association website.
